

# Breeding Terms 2010

1. **The breeding season begins on February 1<sup>st</sup> and ends on August 31<sup>st</sup>**
2. **Only healthy mares with vaccination certificate are accepted for breeding.**  
Each mare must be accompanied by a health certificate stating that she is free of communicable diseases.  
Mares coming from a stable where viral abortion has occurred during the last 12 months cannot be boarded at our stud and will not be bred. Owners who bring such mares will be held liable.
3. **A cervical swab not older than 21 days must be shown at the mare's arrival.**  
If this has not been done, the examination will be made at our stud and charged to the mare owner's expense.
4. **The board per day is:**

for mares without foal	Euro	12,-
for mares with foals	Euro	15,-
5. **The breeding fee is by:**
